Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

ETA 12/0056, issued on 15.12.2018

and

ETAG 006 used as EAD

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 19.12.2018 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body, and latest until 01.03.2029.

The certificate is valid provided it is listed on www.sintefcertification.no.
