

Certificate of conformity of the factory production control 1071– CPR – 3018

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Components for steel structures according to EN 1090-2:2018

Processes as listed in the appendix to this certificate

placed on the market under the name or trademark of

FerroZink Trondheim AS

Terminalen 1A
7080 Heimdal, Norway

and produced in the manufacturing plant

FerroZink Trondheim AS

Terminalen 1A
7080 Heimdal, Norway

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 02.09.2014 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body, and latest until 01.07.2029.

The certificate is valid provided it is listed on www.sintefcertification.no.

Oslo, 26.02.2026

Certification Manager

Certificate of conformity of the factory production control

1071– CPR – 3018

Appendix

List of processes covered by the certification

CE marking method:	1 and 3a (Design not included)
Execution class:	EXC2
Processing materials:	Steel grade S235 and S355
Welding materials:	Steel grade S355 for thicknesses according to table 14 in EN 1090-2:2018
Welding coordination competency level:	Basic – (Level 2 – Norwegian National welding coordination level)
Production processes:	Welding, cutting (sawing), cold forming (folding), holing, galvanizing, NDT

(Quality requirements checked against EN ISO 3834-3)
