Supporting documents to the application are documents intended to be the basis for the assessment. Such documents can be:

- Description of the product (detailed specification of materials and components, detail drawings with measurements)
- Product properties and performance, and how these are determined (test reports, calculations)
- Instructions for installation and maintenance
- Production control (description of internal quality control system, connection to external quality control)

Please send the application as an e-mail attachment to [certification@sintef.no](mailto:certification@sintef.no), or to SINTEF Byggforsk, Postboks 124 Blindern, NO-0314 Oslo. Supporting documents may also be attached to the application. Please mark the application with Application for European Technical Assessment (ETA). We kindly ask you to send us an application as complete as possible, and only to enclose information relevant for the product.

**To be filled in by SINTEF Byggforsk**
